2. The local allowance was originally fixed at Rs. 100 p.m. as the first Rev. officer, viz Mr. Sisi Branda Rao had to start a new work and deal with 3 districts. Mr. Namaswami Rao took charge of the work after some experience of the malnad improvement scheme on the practical side had been acquired. When the Raichur & Hassan districts were constituted into a separate group, it was considered whether the l.a. of Rs. 100 sanctioned in the case of Mr. Branda Rao should not also be brought down to Rs. 50 p.m. but it was decided ~~not~~ not to interfere with what had already been ordered.
3. If travelling in the malnad is expensive, the higher rates of allowances admissible for journeys therein ought to be presumed to cover the extra expense.
4. It is yet too soon, I fear, to base a recommendation for reward on the ground of "good results" as the Dy. Commr. has done.
5. The proposal does not appear to be acceptable especially in view of the very heavy charges

6 It is no doubt true that Mr. Ananda Rao Sirsi had some difficulty to contend with, he having had to start the Malnad Improvement Scheme and deal with 3 districts and consequently a local allowance of Rs.100 was sanctioned to him by Government. I agree that it is too soon to grant an additional allowance to - Mr. Nanaswami Rao on the basis of good work done by him and that it is also not desirable to increase the expenditure on account of the Malnad Improvement Establishment, which is already sufficiently high.

7 But there are other reasons which seem to deserve consideration:

(1) The total extent under the jurisdiction of each Officer is approximately the same.

(2) The responsibility and work of the Officers do not appear to be different.

(3) The higher rates of travelling allowance on account of journeys in Malnad tracts are admissible to both the Officers.

8 The above reasons seem to warrant an equal treatment being accorded to both the Officers.

clear why no reduction was made in the allowance - sanctioned to Mr. Ananda Rao Sirsi, when the work was divided between two Officers. If reduction at this stage is not considered desirable, Mr. Nanaswamy Rao seems justified in submitting the present claim. - Cause for discontent will vanish, if their allowances are made equal; otherwise an invidious distinction will have been made.

Reduction may be made when Mr. Sirsi vacates the post & another is appointed. I believe there is an idea to this effect. It is being submitted in 3074 proposals by me.

The Dewan asked me a few days ago to make proposals in regard to the posting of another officer in the place of Mr. Sirsi Ananda Rao, as Special Revenue Officer.

I see note below for consideration the following alternative proposals:

II. Mr S. Narayan Rao, Sub Divisional Officer, Sagar may be chosen for the place Mr Sisi Branda Rao taking his place.

But Mr S. Narayan Rao has applied for a transfer to Maidan. He has stayed at Sagar for nearly 3 years.

III. Any one of the officers shown in the accompanying list as not having served in the Malwad may be chosen for the place Mr Sisi Branda Rao taking his place.

114 In any case the local allowance of Rs 100 p.m. which Mr Branda Rao Sisi now draws shall be reduced to Rs 50 p.m. It is a question for the consideration of Govt. whether an allowance of Rs 25 p.m. may be allowed for the duties of this officer as Secy to the Central Committee.

15 I am not aware of the circumstances under which it has been thought fit to post another Officer in the place of Mr. Ananda Rao Sirsi, as Special Revenue Officer.

16 In November last, Mr. Ananda Rao Sirsi prayed for two months privilege leave combined with 6 months furlough. As it was just then the working season, leave was not granted, as the urgency for it was not clearly made out and it was thought that the Malnad work would suffer by the transfer of this Officer so soon after his appointment to that important charge.

17 In January last, when we toured in Shimoga District, the Officer's work and reports were considered satisfactory under the circumstances which he explained and he had assured considerable zeal and enthusiasm in his work in the future.

18 I do not know if he has now applied for a transfer or only for the grant of leave prayed for then.

19 Unless there are good grounds for a change, I think a transfer at present may not be expedient in the interests of the Malnad Improvement Scheme.

20 If the Dewan is for giving him a transfer now, I am agreeable to ^{either} the first ^{or the second} alternative suggested by the Secretary. Should however the Dewan and the other Members of Council consider some other Officer as more suitable than Mr. Appanna Iyengar ^{or Mr. Narayan Rao} I shall

Sir,

I have the honor to forward here
-with for the favorable consideration of
Government, a representation from Mr.
R. Nanaswami Rao, regarding the en-
-hancement of his local allowance by
Rs. 50/-.

The area, scope and the nature of
his work in the Kadur and Hassan
Districts are exactly the same as that
of Mr. Sirsi Ananda Rao in Shimoga
and I consider it but fair that he
should get the same allowance as Mr.
Sirsi Ananda Rao. It is a matter of
common knowledge that travelling

2.

in the malnad especially during the monsoon is very expensive and attended with great inconvenience and trouble.

Mr. Nanaswami Rao has brought a great deal of personal enthusiasm to bear upon the work entrusted to him and the good results achieved so far ^{were} is largely due to his tact and energy. X

I therefore strongly recommend that his request for an extra local allowance of Rs. 50/- be granted to him from the date he entered upon his duties as Special Revenue Officer.

Sir,

Adverting to Government Order No. 3546-9 /Sany.51-14
 dated 3-11-1914, sanctioning an allowance of Rs.50/- per mensem
 to me during my employment as Special Revenue Officer, Malnad --
 Improvement Scheme, I have the honor to submit a respectful ----
 representation to Government for the grant to me of an allowance
 of Rs.100/- per mensem for being in charge of the Malnad Improve-
 -ment operations in the two districts of Hassan and Kadur as is
 given to Mr. Ananda Rao Sirsi, ^{who is} in charge of the Malnad Improve -
 -ment operations in the Shimoga District.

Soon after assuming charge of my office, I found that
 to get into close touch with the villagers and find out for my -
 -self the local wants and carry on the operations in the spirit
 in which the Government sanctioned the Malnad Improvement Scheme
 it was absolutely essential that I should be constantly ~~be~~ on the
 move visiting some of the worst portions of the malnad and seek

the,

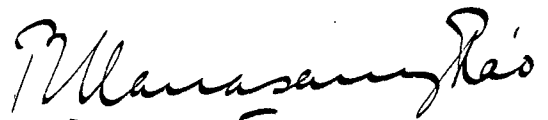

the co-operation and advice of the Amildars and the local inhabitants. A statement of the works in progress under my direction is annexed hereto and I venture to think that the present state of progress is in no small measure due to my frequently visiting these outlying villages. Considering the high cost of life, the difficulty of securing conveyances and the great wear and tear entailed on account of the ---- hilly nature of the malnad to which my work is wholly confined, I beg to submit that an allowance of Rs.100/- per mensem is not too much to ask for.

I beg therefore to request that under the foregoing circumstances, the Government be pleased to consider my case favourably and grant the enhanced allowance with effect --- from the date of my assuming charge of my office.

I have the honor to be,

Sir,

Your most obedient servant,
